Muneer S. Al-Badrany, BVMS, MSc.PhD  
Professor, Surgery and Anaesthesia  
Department of Surgery & Theriogeniology  
College of Veterinary Medicine  
University of Mosul, Mosul, Iraq

Dear Dr. Al-Badrany,

I would like to thank you very much for your help in teaching the 'Advances in Veterinary Microbiology Laboratory'. The students and I enjoyed your class about surgical sutures and techniques. Definitely your instruction helped them in achieving skills which will help them in the future. Please consider yourself always welcomed to teach in this course.

Sincerely,

M. Tawfik Omran, MD, PhD  
Clin. Asst. Professor
